JNO. G. MORTON, BANKER.

The advantages of a bank account
are numerous. It is not to business
men alone that they are talking—they
know all about it—but to salaried
men, wage earners and to women.
There's safety—if the bank is a
good one. There's convenience—the
money always ready and out of
reach of your own petty squandering
hand. It is easy to spend small
sums when you have a large sum
in your pocket.

The People's Bible History

Written by Right Hon. William Westcott, D.D.,
President of the British Bible Society, and
other distinguished scholars. It is the
most complete and accurate history of the
Bible ever published. It is the only one
that is both popular and scholarly. It is
the only one that is both interesting and
authoritative. It is the only one that is
both readable and reliable. It is the only
one that is both useful and beautiful. It is
the only one that is both cheap and
valuable. It is the only one that is both
modern and classic. It is the only one
that is both new and old. It is the only
one that is both true and false. It is the
only one that is both good and bad. It is
the only one that is both right and wrong.
It is the only one that is both life and
death. It is the only one that is both
light and dark. It is the only one that
is both hope and despair. It is the only
one that is both joy and sorrow. It is the
only one that is both peace and war. It is
the only one that is both love and hate.

NO. 28

WE NOW HOLD SUBIC BAY.

The Raleigh Bombarde the Forts
on Grand Island Till a White
Flag Went Up.

THE GARRISON OF 1,300 MEN CAPTURED.

A Story of Intercourse by the German
Warship Irene—She Didn't Bother the
Americans—The Capture of Subic Bay
Defeats Germany's Supposed Plans in
the Islands.

MANILA, July 9, via Hong Kong.
July 13.—The insurgents, on
July 6, reported that they had
bought Irene, a Subic bay, re-
sulting in the capture of the
Americans on Grande Island. Rear Admiral
Dewey promptly dispatched the Ra-
leigh and Concord to investigate the
claim. On entering Subic bay the
Raleigh opened fire on the forts,
whereupon the Irene slipped her cable
and steamed out by the other channel.

The Spaniards Surrendered.

The result of the fire of the American
warship was that the Spaniards,
numbering over 500 men, surrendered
everything.

On returning to Manila, the Irene ex-
plained that she interfered "in the
cause of humanity," and offered to
hand over to the Americans the refu-
gees she had on board. Admiral
Dewey, however, declined to accept
them.

Gov. Gen. Aguinaldo has issued a pro-
clamation promising to grant autonomy
to the islands and offering the insur-
gent leaders to join the Spanish
forces. Gen. Aguinaldo, the insurgent
leader, in reply, said the overtures
of the Spanish commander came too late.

Overtures Came Too Late.

Gov. Gen. Aguinaldo has issued a pro-
clamation promising to grant autonomy
to the islands and offering the insur-
gent leaders to join the Spanish
forces. Gen. Aguinaldo, the insurgent
leader, in reply, said the overtures
of the Spanish commander came too late.

CAPTURE OF GRAND ISLAND.

Details of the Raleigh's Work in the Phil-
ippines—Germany's Plan's Upset.

NEW YORK, July 13.—A special copy-
right cable from Manila, dated July 10,
to the New York Journal, says:
Admiral Dewey, early on July 7,
dispatched the Raleigh and Concord to
take Grande Island, in Subic bay, and
capture the garrison.

Not Work for the Raleigh.

The cruisers shelled the principal
points on the island, destroying the
earthworks and other fortifications
and laying the torpedo stations in
ruins.

They then sent out a launch with a
message demanding surrender.

There was no response, and the
Raleigh finally sent a six-inch shell
through the commander's house. The
white flag was instantly run up on
the ruins of the earthworks.

The Spanish Colonel Gave Up His Sword.

A landing party demanded absolute
surrender, and the Spanish colonel,
Rio, realizing his hopeless position,
made submission and gave up his
sword. The 1,300 men comprising the
garrison were ordered to lay down
their arms, and the Raleigh's rifles
fired taken from them. Forty thou-
sand rounds of ammunition and one
Hutchinson gun was also captured.

American Control of Subic Bay.

This victory gives the Americans
control of Subic bay. The Spanish
were endeavoring to protect it with
submarine mines, and to make it ready
for occupation of the Spanish fleet
supposed to be on its way from Spain.

Admiral Dewey's possession of Subic
bay defeats Germany's supposed plans
to interfere in the Philippines.

An Insurgent Capture.

The insurgents have captured the
valuable merchant coast steamer named
Philippines. The native crew killed
the officer of the ship before the cap-
ture.

The insurgents were using the trans-
port in an attack which they contem-
plated making on Grande Island before
Admiral Dewey was called upon.

Dewey is Diplomatic.

Although the attitude of the Ger-
mans is still irritating, Admiral Dewey
is managing them with great diplo-
macy. He does not expect any trouble
with them.

The blockade will hereafter be more
rigid. On the supply ships of the
Americans and foreign fleets are al-
lowed to enter.

Stopped and Ordered to Sea.

The Esmeralda arriving from Hong
Kong yesterday with passengers was
stopped and ordered to sea.

The joint expedition refrigerating
steamer Culpa, from Australia, with
a cargo of fresh beef, arrived, and was
welcomed enthusiastically by the sail-
ors and soldiers.

A Dispatch from Dewey.

WASHINGTON, July 13.—The navy de-
partment has received a cablegram
from Admiral Dewey. The text of it
is not made public, but it is stated
that it relates simply and solely to the
question of supplies for the American
Asiatic squadron.

FIRST NEW YORK REGIMENT.

Arrival of the First Detachment, at San
Francisco, of the Men Who are
to Go to Honolulu.

SAN FRANCISCO, July 13.—Companies
I, K and L of the First New York reg-
iment arrived here yesterday and were
met at the ferry landing by a re-
ception committee composed of
former residents of New York.
The soldiers were given a fine recep-
tion, and were breakfasted before tak-
ing up the march to Camp Merritt,
where they will go into camp pending
the completion of arrangements for
transportation to Honolulu. The New
Yorkers are splendidly equipped.

With Sick and Wounded.

NEWPORT NEWS, Va., July 13.—The
steamer City of Washington arrived at
Old Point this morning from Santiago
with sick and wounded soldiers.

The charter amendments voted upon
in St. Louis were defeated by a vote of
9,701 for and 33,544 against.

The military attaché of the French
embassy at Washington speaks highly
in praise of the American troops.

Class L. Williams, aged 82, for over
sixty years a resident of Layette coun-
ty, Ill., died at Vandallia Tuesday.

George Clem, a prosperous farmer,
aged 60, who resided near Vevay Park,
Ill., dropped dead Tuesday evening.

Dr. J. Keating Handley has been ap-
pointed surgeon of the Sixth Missour-
i volunteer regiment, with the rank of
major.

AN ENORMOUS DIFFERENCE.

A Madrid Newspaper that Seems to Gauge
the Situation as Regards Peace
Conditions.

MADRID, July 13.—The government
continues its assurances to the effect
that the ministers are not taking part
in any peace negotiations which may
be proceeding.

The Correspondence (Independent
and semi-official), says: "There is an
enormous difference between the con-
cessions which Spain is willing to
make and the demands of the Ameri-
cans."

"Peace is impossible until a Spanish
victory has lowered the pride of the
Americans or another disaster forces
Spain to make most ample conces-
sions."

Galantry Recognized.

WASHINGTON, July 13.—The president
has directed the promotion of Lieut-
Colonel W. S. Worth, Thirtieth in-
fantry; E. H. Liscum, Twenty-fourth
infantry, and E. P. Powers, Ninth in-
fantry, to the grade of brigadier-gen-
eral in recognition of their gallant and
meritorious action in the operations
about Santiago.

A Good Ride Home.

MONTEREAL, July 13.—Messrs. Dubois
and Carranza sailed on the Dominion
line steamer Ottoman. With them
went a petty officer and two sailors of
the American fleet, captured by the
beginning of the war. These are the
men who accompanied Carranza on a
schooner on his recent mysterious trip.

Radical Extension of the Weather Service.

WASHINGTON, July 13.—The most
radical extension of the weather ser-
vice yet made will be operated im-
mediately by this government by the es-
tablishment of a complete system of
weather stations on the Caribbean sea
for the benefit of all nations whose in-
terests lie in that region.
